TinkerWithMe

AI Game Designer · Premium Course

1-day camp · 5 hrs · 10–14 yrs · from KES 5,000

Premium course outline **PREMIUM**

Overview

Design and build a playable game using AI tools.

DETAIL	
Track	AI Skills for Kids
Format	1-day camp · 5 hrs
Delivery	Live online (1:1 or small group) or in person, you choose when booking
Ages	10–14 yrs
Level	Intermediate
Price	from KES 5,000
Standalone	No
Prerequisites	Prompting power (free, recommended)

Programme

1. **Morning — Design.** Use ChatGPT to brainstorm concepts, write rules and generate character backstories; use DALL-E for character art and board/card designs.
2. **Afternoon — Build.** Create the game in Scratch or a no-code platform, add AI-generated sound effects, then playtest with peers and iterate.

What they take home

🎁 Playable game + a design portfolio PDF

Why parents love it

“They don't just play games — they create them, using the same AI tools professionals use.”

How to book

Places are limited and run on scheduled dates. To book or ask a question, email **tinkerwithanne@gmail.com** with the course name (**AI Game Designer**), your child's age, and your preferred dates. Prices start from the amount above and may vary with group size and materials.
