Programme

1. **Ultrasonic theremin.** Hand distance controls the pitch.
2. **Button piano.** Eight tactile buttons mapped to a full octave.
3. **Tempo & recording.** Tempo control with a potentiometer; record and play back
 - a short melody.

What they take home

Their instrument circuit on a breadboard

Why parents love it

“Music + code + electronics = the coolest instrument they've ever made.”

How to book

Places are limited and run on scheduled dates. To book or ask a question, email **tinkerwithanne@gmail.com** with the course name (**Musical Instrument Builder**), your child's age, and your preferred dates. Prices start from the amount above and may vary with group size and materials.
