Programme

1. **Script.** ChatGPT-assisted story writing and dialogue.
2. **Visuals.** AI image generation for storyboards and backgrounds.
3. **Audio.** AI-generated music, sound effects and optional voice narration.
4. **Edit & Premiere.** Assemble in CapCut or a similar free editor, then premiere the films for parents.

What they take home

🎁 Their finished short film (shared via link)

Why parents love it

“A full film production — written, illustrated, scored, and edited — in one day.”

How to book

Places are limited and run on scheduled dates. To book or ask a question, email **tinkerwithanne@gmail.com** with the course name (**AI Movie Studio**), your child's age, and your preferred dates. Prices start from the amount above and may vary with group size and materials.
